

Hello from North Warren's Superintendent-September 17, 2020

It is hard to believe but week two is coming to a close. It is so nice to have all the students and staff back in the building. I am so hoping that everyone is enjoying our return to learning whether in-person or remote.

I want to thank everyone for their hard work at making sure they complete our AM health screening tool. Please continue to do it **each morning between 5 am and 7 am** as this is very important for the health and well-being of our school community.

As many families have read by now the Adirondack League which covers our district has **postponed sports** for our students in Grades 7-12 for Modified, JV or Varsity play until later on this year. We are all saddened by this; however, we are hopeful that when we do play we will have a good run and be able to safely play all sports at that time.

Next Friday, September 25th, is **school picture day** at NWCS. Our photographer is in compliance with all COVID rules and regulations and his staff will be wearing masks, gloves and face shields during their time here. They will all be screened as they arrive at the building. We will not be able to do elementary group classroom shots this year due to social distancing; however, the company will provide for our elementary classrooms a class composite. The fliers about school photos should be sent home with your child(ren) tomorrow and must be back in by next Friday so they can be included in photo day. Students who are in remote learning should contact their respective office if they would like to set up to have their photo done on our remote learners photo day in November. Elementary remote students should call 518-494-3015 ext. 704 and Middle and High School remote students should call 518-494-3015 ext. 702 if they want information about photos.

Again, I cannot begin to thank you all so much for your support and hard work to make our return to school go so well!

Stay healthy Cougars!

Fondly,

Michele G. French
