

RUNNING FOR THE SCHOOL BOARD

What all prospective school board members should know

Commitment to Public Education

A school board member takes on one of the most important citizen responsibilities: overseeing the education of the community's youth. In these challenging times for public education, school boards are seeking men and women who find excitement and satisfaction in confronting tough challenges and working collegially to rise above them and help students in their communities succeed.

The board of education is a uniquely American institution. It oversees and manages the community's public school system. It ensures the public schools are flexible and responsive to the needs of the community.

School boards are comprised of volunteers within the community who dedicate their time to better public education. Except for those in Yonkers and New York City, board members are elected.

The size of a school board depends on the type of school district but generally ranges between three and nine members. With limited exceptions, school board members serve three-, four- or five-year terms. Terms are staggered so all board positions are never open at the same time. Voters have the power to change the size of the board as set forth within the law.

Running for Your Local School Board

Once you have made the commitment to run for your local school board, there are requirements, deadlines, and processes that must be adhered to.

April 17 – Petition must be filed for central, union free and common school districts

April 26 – Petition must be filed for all small city school districts

May 16 – Budget Vote & Election Day

Eligibility Requirements

Generally, school board candidates must be a U.S. citizen, at least 18 years old, qualified voters in the school district and able to read and write. They must be residents of their districts continuously for one year (as little as 30 days or as long as three years in some city school districts) before the election. They cannot be employed by the board on which they will serve or live in the same household with a family member who is also a member of the same school board.

Nominating Petitions

The requirements for filing nominating petitions for a school board vary depending upon the type of school district. Generally, candidates must submit a nominating petition to the school district clerk. The petition must be signed by at least 25 qualified district voters or two percent of the number of those who voted in the previous annual election, whichever number is greater. In small city school districts, nominating petitions must be signed by at least 100 qualified voters.

The petition must include the following:

- Candidate's name and residence
- Vacancy in question
- Incumbent's name (if any)
- Residences of the persons who signed the petition
- Length of the term of office for which the candidate is being nominated

Blank petitions are often available from the district clerk.

If a school district runs for seats "at large" such that each nominee is eligible for each vacancy, the nominating petition does not need to identify the specific incumbent's seat the nominee is seeking. This petition must be filed with the district clerk at least 30 days (20 days in small city districts) before the election meeting, between 9:00 a.m. and 5:00 p.m. In 2017 nominating petitions in small city school districts must be filed by April 26th, in other districts nominating petitions must be filed by April 17th.

Campaigning

Once the petition is filed, the next step is to gather support. State law requires all candidates for election to a board of education to file a sworn statement with the district clerk disclosing their campaign expenses. Statements must be filed at three different times during the election period. If expenditures made by the candidate or by others on the candidate's behalf exceed \$500, a statement also should be filed with the commissioner of education. Expenditures of not more than \$25 may be made without the candidate's permission if the donor or donors file a sworn statement with the clerk and the commissioner stating that the candidate did not approve the expenditure.

Details concerning these requirements may be obtained from your district clerk or from the Performance Improvement and Management Services (PIMS) and Chief Financial Office (CFO), New York State Education Department, Albany, NY 12234.

Election

By state law, school board and budget elections, in all districts except Albany and the Big 5 (Buffalo, New York City, Rochester, Syracuse and Yonkers), must be held on the third Tuesday in May. In 2017, the budget vote and election occurs on May 16th.
