

Superintendent's Message

Welcome to the North Warren website. I hope you find it helpful and informative. A goal I have had since arriving at North Warren on July 1st is to make this site even better and I am continuing to look for ways to enhance it.

The North Warren mission statement stands for the high academic, social and emotional goals we have for our students.

"At North Warren Central School, we feel that learning is best achieved in an orderly, purposeful atmosphere, which is free from threat of physical and mental harm and limited in classroom distractions. It is our desire to maintain a learning environment that is not oppressive, but is supportive of teaching and learning.

We realize that within the District there needs to exist an atmosphere that is orderly without being rigid, quiet without being oppressive and generally conducive to achievement of desired goals and objectives. We want to promote a school climate that is warm and responsive, emphasizing learning and providing instructional support for learners.

Maintaining an active responsive learning environment is one of our greater challenges. We know that the effort is needed because a well-disciplined school not only promotes goal achievement, but significantly promotes the ideal that students become self-disciplined managers of their own actions and resources."

I personally have a motto that supports the mission of this district.

"TEACH-together everyone achieves more"

This motto is evidenced daily in the building and community.

After twenty-seven years in education I still love to get up and come to school each day! North Warren is a great school and a wonderful place to work. I am fortunate to live and work in this fabulous community.

Please feel free to contact me with any questions, concerns or suggestion. I look forward to seeing each and everyone one of you at the many school and community events throughout the year.

Sincerely,
