

North Warren Elementary School

Dear North Warren Families:

I want to officially welcome all of you to the 2017-2018 school year. For those of you who are new to our school, I want you to know that you are coming to an absolutely wonderful place. I hope everyone is enjoying their summer and has had time to relax, play, and enjoy their time away from school.

It has been a busy summer here at NW. The custodial crew has been hard at work cleaning and preparing our beautiful facility for our students arrival on September 6th. Our playground rebuild is also underway. When school begins you will see a brand new swing installed and ready to be used. Thank you to the PTO, community members, local businesses, and our custodial staff for making this happen.

I invite you to become an active participant in our school community by joining our PTO, or attending and supporting school events. I believe that all of us- the school and the community- must work together in an extended family environment to insure success for all our students. Education is a partnership between the school, students, parents/guardians, and the community. Children achieve more when we work as a team.

The administration, faculty, and staff are looking forward to an outstanding school year and we know it will be the best one yet! We are ready for the rewarding task of preparing all students to be successful.

Welcome to our new staff members!

Stephanie Geller- Kindergarten Teacher
Erika McGourty- 5th Grade Teacher
Michelle Lettus- School Librarian
Lisa Packer- Cafeteria Aide
