6110 State Route 8  
Chestertown, NY 12817*

September 2017

Dear Parents and Guardians,

How exciting, another school year has begun! We are looking forward to a positive and productive school year together. The staff and administration will work hard to have every student feel welcome and connected. All students have the skill set and resources to graduate and be college ready by the end of their time at NWCS. This year as always we will continue to lead our student to take more responsibility in their academics, social endeavors and to take attendance seriously. If they are not in school, they are losing valuable instruction time. We will combine the academic with many extra-curricular clubs, activities, performing arts, athletics, field trips and in school programs to afford them a well-rounded education.

We would like to extend an invitation to you to join us at school activities and events whenever possible. Your participation in all aspects of the daily routines of the school supports the success of the students. Communication is the key for a successful relationship between the school and parents. Feel free to contact us with questions, concerns or ideas.

North Warren is a great place for your children to learn and grow with the many opportunities that are available for them. We are looking forward to an awesome school year as we work together to make our school a great place to learn, work and grow!

Sincerely,

*Ms. Theresa M. Andrew*

Ms. Theresa M. Andrew

7-12 Principal
