2019-2020

To all our North Warren Jr. and Sr. High Students (and families),

Remember when you were in elementary school....It seemed like summer vacation was half the year! A little more than two months off is all you get, but deep down I bet there is a part of you that will be “excited” to get back to school September 4th because June seems like forever ago.

Upon your arrival you will see a couple new teachers on our side of the building: Ms. Caitlin Baker (English), and Mr. Michael Corlew (Family and Consumer Science). Student safety is always our top priority; with safety in mind our new security monitor is Mr. Jason Fidd. Other changes to our staff includes Mrs. Theresa Middleton (Elementary Principal), Ms. Ashley Truax (2nd Grade), our own Mrs. Harrington (Special Education), and Mrs. Kimberly Glascock (Elementary Nurse).

When you have physical education for the first time you will see new tile floors in both locker rooms. The custodial staff is quickly getting the rest of our building cleaned and prepared so it has that “school smell” you are accustomed to. Please help me take care of *our* school and grounds; put garbage where it belongs, even if it is not yours.

When you go school shopping, please keep in mind our dress code; if you need a reminder then refer to the online student handbook.

Lastly, my door is always open, enjoy the rest of your summer break, and come prepared to be a better student this year than you were last year!

Sincerely,

Caleb Martin
